

Institutional Development Plan

G.C.W, Jassaur Kheri, Jhajjar

Session-2024-25

In the words of former UN Secretary General Kofi Annan

"Knowledge is power, Information is liberating.

Education is the premises of progress,

In Every Society in Every Family".

Education is the most powerful tool that can be acquired by any society. G.C.W, Jassaur Kheri is a degree college equipped with all the facilities required for a student to grow and show excellence in whatever they do. We thrive to bring out their inherent talents through academic as well as extra curricular activities.

Here, every student is different in their backgrounds, their thinking process, their academic abilities their goals and have different attitude towards their future life, thereby, require different methodologies to educate them and to make them learn. For now, we wish our students a very best of luck for their future Endeavors. Students being encouraged by the faculty members to write more and more and to improve their writing skills, thereby imparting in them logical thinking and connectivity of their thoughts.

It is also taught to students that whatever they learn, they should try and make that applicable in their respective lives, so as to give meaning to their lives and make positive difference in the society.

Our Institution and its faculty members provide them valuable insights to make them grow into responsible citizens.

In our Institutional development plan we tried executing following course of action:

1. Regular meetings are conducted for staff and IQAC to develop a future course of action in which all stake holders are involved including Alumni an Industrial expert, an advisor and a final year college student along with Senior faculty members of the college.
2. College council is formed for collective and planned decision making process.
3. We have applied for 2(F) and thus 12 B from UGC.
4. We have planned semester wise curriculum which includes lesson plans, time table and academic calendar and ensure its implementation within the stipulated time.

5. We are planning to introduce post-graduate courses as well as value added and vocational courses to make students job ready.
6. We keep on updating college website on regular basis.
7. We have registered our alumni association and conducted first successful alumni meet in March 2024.
8. Making efforts with regard to increase in number of admissions/ enrollments by preaching in nearby schools and villages.
9. Created an environmental friendly campus along with planting of trees by voluntary contribution by the staff members.
10. Use of ICT tools for teaching purposes to make students understanding of the subject better.
11. Engage students in various community awareness and sensitizing activities which are conducted under different cells to make them socially active and responsible citizens.
12. We will work towards signing MOUs or collaboration with industries and other institutions.
13. We have an automated library with addition of books every year. We are working towards complete adoption of the e-issuing and adding up e-resources for enhanced learning.
14. We have a wi-fi campus with LAN installed for easy internet access for effective learning.
15. Ensuring safe environment and zero tolerance towards sexual harassment.
16. Water harvesting and waste management plants are facilitated to provide a green and clean campus.
17. Solar system is installed for energy efficiency.
18. We have been approved for PM-USHA grant for infrastructure development of the college for better catering to student needs.
19. Putting efforts on the development of soft skills by providing facilities like language lab, and computer lab.
20. Emphasizing on life skills and physical fitness of students by promoting regular yoga sessions and providing gymnasium and sports facilities within the college premises.
21. Regular PTM's and Annual feedback mechanisms are conducted for better involvement and suggestions of students and parents.

22. The college campus is friendly towards differently-abled with inclusivity practiced at every step.

This is our current holding and Future planning for the development of our Institution.
